

Line Management Services Limited

“Line Management Services Limited (LMS) is a leading company service provider that can package a complete range of private wealth and corporate management services using a client-tailored approach.

We are one of Gibraltar’s principal authorities engaged in the incorporation and management of corporate vehicles in Gibraltar, as well as 27 other jurisdictions, for a worldwide client base. By combining proactive professionalism and multi-jurisdictional focus we are able to provide commitment and delivery to our clients.”

LMS

LMS work closely with Hassans International Law Firm, both in the establishment and management of client structures. Our administration teams relish new challenges, however complex or demanding and having senior lawyers with legal, structuring and regulatory expertise on hand is extremely practical, helping us provide a seamless, cost-effective complementary service.

LMS is licensed by the Financial Services Commission in Gibraltar.

Hassans

Hassans have been providing offshore company management services since 1969 and consolidated their operations under the LMS brand in 1995. In providing a highly personal approach to private company management for both private and corporate clients worldwide our attitude can be compared favourably to that of traditional private banking.

Through a culture of internal excellence and mutual support, we have a remarkably low staff turnover, providing continuity of contact to the client. Our approach of personal service and commitment set us apart in Gibraltar and make us what we are today, a leading company management provider, worldwide.

The Partners of Hassans, the leading international law firm in Gibraltar, recognised the growing need for such a dedicated corporate management service and by working together, can evaluate and monitor opportunities for clients with complete objectivity.

Our People

LMS has a strong employee base of 60 people. Client work is conducted in small teams that are organised either on a specific jurisdiction level or on the provision of specialist corporate services.

The LMS Board comprises a number of Partners of Hassans together with members of the LMS management team including **Desmond Reoch**, the Managing Director, **Lesley Nuttall** who Heads Gibraltar Companies and **Nadine Collado** who Heads the International Companies departments. The Chairman of the board is **James Levy QC**, Senior Partner at Hassans. **Javier Chincotta** is the Deputy Chairman and Managing Partner at Hassans. The Finance Director is **Albert Mena**, who is also a Partner at Hassans and **John Holliwell** is the Non Executive Director.
